“The Woodhouse” was formed in 1994 when several passionate doctors, lawyers, professors, and engineers, bursting with abundant musical experience, gathered to create a

“New Sound”. Create it they did. On the wood flooring of the old Smith Brothers warehouse building, where to this day the floor boards continue to ring.

“The Woodhouse” continues to be an eclectic group of professionals, bound together through their desire to promote and preserve “Swing Music”.

Performing a repertoire of over 500 songs, “The Woodhouse” thrills audiences with their upbeat sound and energetic show.
